Charles Garrigues wearing the baseball cap

President's Message by Bob Smith

We have lost a couple of WAPA brethren lately. The first was Charles Garrigues. Charles was a long-time member of WAPA but was very quiet and didn't attend that many events. He lived in Phelan and had quite a collection of engines and other antiques. The second was Jack Johnson. Jack goes way back with WAPA also. A great guy and was very active with WAPA events and activities. Jack held several board positions throughout his career but was best known for editor of the monthly newsletter. We will truly miss these members.

Jack Johnson

The next big event coming up is WAPA's "Day on the Farm" event at our new building at Cal Poly. There will be fun, food, and drinks along with a swap meet where you will have a chance to add something to your collection. This is your chance to see the new building and meet with other WAPA members and friends. Wear your WAPA badge and get a free lunch. Don't forget to stop by the membership table and pay your dues for 2023.

**Flabob Airport Veteran's Day Celebration
by Paul Montgomery**

It was great to be back at Flabob Airport for their annual Veterans Day Celebration. After a two year hiatus, the event was as big as ever with lots of vintage cars and planes. The vendor area was packed, and big bands played throughout the day. WAPA had their usual display area on the comfortable grass between two big hangers. When the ever popular 1922 Economy pump jack quit running it was Lance and Bill to the rescue. They quickly diagnosed the problem and had it back up and pumping in no time. Make sure not to miss this great event at Flabob Airport next year.
